

Linkages: CalWORKS and Emergency Response, An Essential Partnership
Learning Objectives

1. Define the need for collaboration between Emergency Response (ER) and CalWORKS.
2. Identify the crossover and intersection between ER and CalWORKS
3. List the steps to interdisciplinary collaboration.
4. Review processes that impact collaboration such as planning and assessment.
5. Using a scenario, practice steps for collaboration.
6. Create an action plan for working together.
